DEPARTMENTS OF CLINICAL SCIENCES AND MEDICAL EDUCATION College of Medicine University of Central Florida ANNUAL WORK ASSIGNMENT FOR FACULTY

Name:		Assignment for calendar year:	
Date of Initial Appointment:		Department	
Academic Rank:		Years in Rank	
Selected mission of excellence (for promotion):			

This document is a part of the annual goal setting and evaluation process of COM. When you joined the faculty you signed a letter of offer that specified your rank, term, initial salary and your general responsibilities. This is a more specific document that describes your assignment and goals for this year with a focus on progress toward your promotion. It also allows you to list the progress you made during the last year. This document has three parts: your draft of goals, the supervisor's assignment in response to those goals, and end of the year progress report that includes a summary table.

All faculty will demonstrate proficiency in all areas (instruction, research, clinical service, service) of their involvement and this is required for contract renewal. For promotion you will need to demonstrate excellence in the area (instruction, research, clinical service, service) of your greatest assignment (highest percentage effort). You should familiarize yourself with the standards for demonstrating excellence and proficiency in the areas of instruction, research, clinical and community service so that you are clear on what you need to achieve to be promoted.
