

Minimum Criteria for Readmission to the Burnett School of Biomedical Sciences.

1. 24 credit hours of academic work at another institution since being disqualified from UCF.
2. 15 of those hours in the hard sciences (Biology, Chemistry, Physics, etc.) with A's and B's for final grades.
3. Current transcripts.
4. A personal statement outlining the reasons why you were disqualified and what changes you intend to make if readmitted. Please include the reasons you are seeking readmission into this particular major and what your plans are after graduation.
