Instructor or Lecturer of Medicine, Human Anatomy & Physiology Labs

The Burnett School of Biomedical Sciences at the University of Central Florida, College of Medicine seeks excellent candidates for instructor/lecturer of medicine. This is a non-tenure earning position. This position will consist of undergraduate laboratory instruction and scientific oversight in the laboratory preparation for the teaching labs at the UCF main campus. The selected individual will be expected to teach and coordinate undergraduate laboratory sections of Human Physiology (PCB 3703C) and Human Anatomy (ZOO 3733C).

Minimum Qualifications:
Candidates must have a M.S. degree in Biomolecular/Biomedical Sciences or related discipline from an accredited institution for an instructor of medicine rank or a terminal degree (Ph.D.) in Biomolecular/Biomedical Sciences or related discipline from an accredited institution for a lecturer of medicine rank. Prior teaching experience at an accredited institution of higher education is preferred.

In addition to the applicant affirmation, candidates must also submit a cover letter, CV, a brief statement of teaching philosophy, and the names and contact information of three or more references at the time of application. To apply: http://www.jobswithucf.com/postings/48992

The University of Central Florida is an equal opportunity/affirmative action employer. All qualified applicants are encouraged to apply, including minorities, women, veterans and individuals with disabilities. As a Florida public university, UCF makes all application materials and selection procedures available to the public upon request.
