| January 12, 2018| **Dr. Michael Farzan**  
Department of Immunology and Microbiology  
Scripps Research Institute, FL                                                                                                                                  | Dr. D. Chakrabarti |
| January 19, 2018| **Dr. Laszlo Nagy**  
Director Genomic Control of Metabolism Program  
Center for Metabolic Origins of Disease, SBP, Lake Nona, FL                                                                                   | Dr. Tara Strutt   |
| January 26, 2018| **Dr. Manuel Penichet**  
Surgery and Microbiology, Immunology & Molecular Genetics  
David Geffen School of Medicine, UCLA                                                                                                                 | Dr. Annette Khaled|
| February 2, 2018| **Dr. Roberto Vasquez-Padron**  
DeWitt Daughtry Family Department of Surgery, Division of Vascular Surgery, University of Miami, FL                                                  | Dr. Dinender Singla|
| February 9, 2018| **Dr. Brian N. Kim**  
Department of Electrical and Computer Engineering, UCF  
Bioelectronics Laboratory  
**Dr. Lorraine Leon**  
Materials Science and Engineering, UCF  
Biomolecular Engineering Laboratory                                                                                                                   | Please join us to welcome new UCF Faculty located in BBS |
| February 16, 2018|                                                                                                                                   | **No Seminar: COM Event** |
| February 23, 2018| **Dr. Melanie Coathup**  
Prosthetic Interfaces Research Cluster Lead, COM Internal Medicine, UCF                                                                                     | Please join us to welcome new UCF Faculty located in BBS |
| March 2, 2018    | **Dr. Dazhong Wu**  
Department of Mechanical and Aerospace Engineering, UCF                                                                                                       | Dr. Dinender Singla|
| March 9, 2018    | **Dr. Kirk Deitsch**  
Department of Microbiology and Immunology  
Weill Cornell Medical College, NY                                                                                                                        | Dr. D. Chakrabarti|
| March 16, 2018   |                                                                                                                                   | **No Seminar: Spring Break** |
| March 23, 2018   | **Dr. Giovanni Manfredi**  
Weill Cornell Medical College, Feil Family Brain and Mind Research Institute, NY                                                                                 | Dr. Ella Bossy-Wetzel|
| March 30, 2018   | **Dr. Patrik Brundin**  
Van Andel Research Institute, MI                                                                                                                                 | Dr. Yoon Seong Kim|
| April 6, 2018    | **Dr. Joseph Castellano**  
Icahn School of Medicine at Mount Sinai  
Department of Neuroscience, Friedman Brain Institute,  
Ronald M. Loeb Center for Alzheimer’s Disease, NY                                                      | Dr. Ella Bossy-Wetzel|
| April 13, 2018   | **Dr. Steven Johnson**  
Department of Biochemistry and Molecular Biology  
Indiana University School of Medicine, IN                                                                                                               | Dr. Annette Khaled|
| April 20, 2018   | **Dr. Thomas Malek**  
Interim-Chair, Department of Microbiology and Immunology  
Miller School of Medicine, University of Miami, FL                                                                                      | Dr. Kai McKinstry |

**Conclusion of the 2017-2018 Seminar Series. Thank you for attending!**

---

2017 - 2018 Seminar Series  
Friday 11:30 a.m.- 12:30 p.m. BBS 103 and HPAII 345 simulcast
