The **NID** is a UCF-issued credential that allows access to UCF resources (e.g., UCF wireless networks, UCF Exchange, Webcourses@UCF). The **NID** is used by current students, employees and UCF affiliated individuals. If you do not know or can't recall your NID, use the What is my NID? link which is found on the myUCF portal (<https://my.ucf.edu/nid.html>).

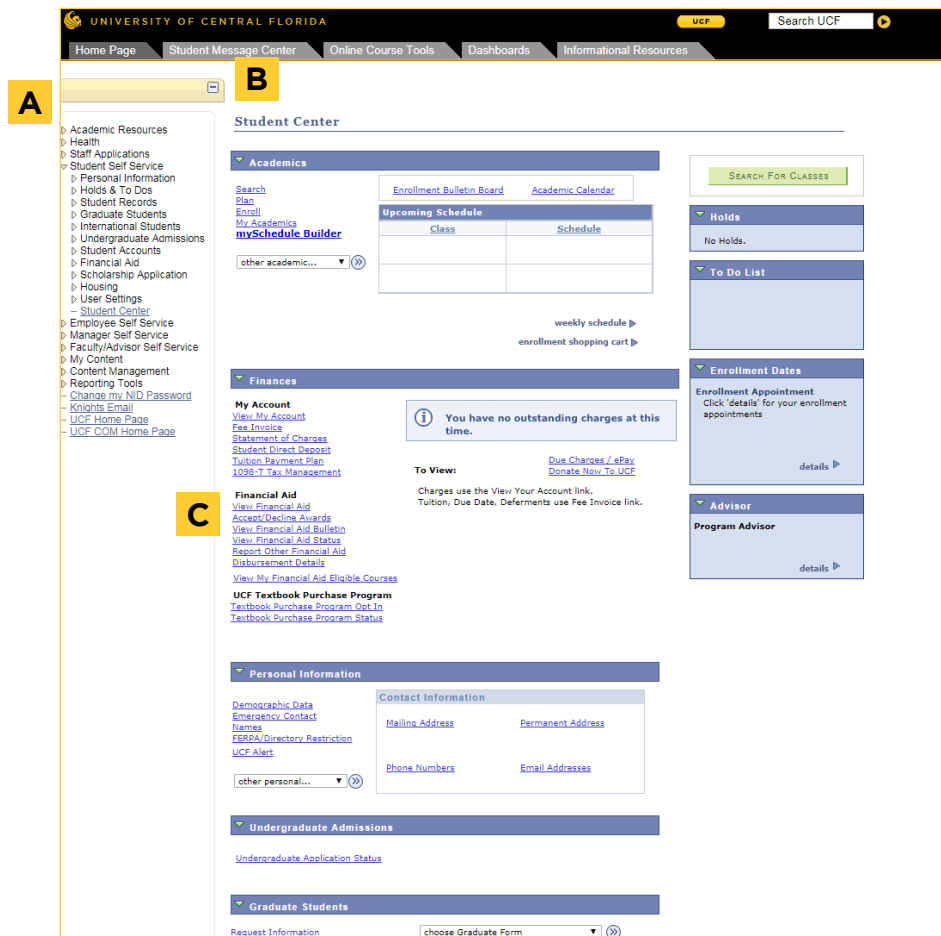

NID Password

If you do not know or cannot recall your NID password, please use the NID Password Self-Service Reset tool at <http://mynid.ucf.edu>

- There is no default NID password. You set it for the first time with a password reset.
- Always use a strong password (8 or more characters, mix of letters, numbers, special characters).
- Your NID password expires 60 days after the last reset and can't be used to access UCF services until it is reset.

If you have a graduate assistantship or UCF employment, Employee Self Service will be helpful to you. In Payroll and Compensation you can view your paycheck and compensation history, W-2 and W-4 forms information, and set up direct deposit for your paycheck (this is a different direct deposit from the myUCF Student Accounts direct deposit, which is for financial aid disbursements).

Your Student Center

Use your Student Center to:

- View your account and fee invoice, and update your bank information for direct deposit of financial aid
- Pay your fees online
- Make changes to your contact information
- Apply for a Graduate Presentation Fellowship
- Check on your academic petitions, status changes, and record requests (grade changes, etc.)
- Highlight your achievements by adding your Graduate honors and awards under your personal information tab
- Review your Graduate Plan of Study (GPS)
- Review the status of your thesis or dissertation
- For qualifying graduate assistantship and university fellows, accept or decline health insurance, review your graduate fellowships, GTA requirements completed, and GTA performance assessment forms from your faculty supervisor.
- Register for Pathways to Success Graduate Workshops

B Viewing Your Graduate Plan of Study (GPS)

A GPS is a map of courses you must successfully complete to graduate. You should check your GPS each semester to ensure that all courses taken are being counted toward graduation requirements.

Where is my Graduate Plan of Study? - In your **Student Center » Academics area » choose Graduate Plan of Study (GPS)** and click the arrow > Then click on View my advisement Report in My Academics.

Click "submit" to run the GPS report. Please note that each program will display separately and include the program status.

Description	Requirement Term	Program Status	Submit
1 Modeling & Simulation-ENGR PhD	Spring 2010	Active in Program	<input type="button" value="Submit"/>
2 Electrical Engineering MSEE	Spring 2013	Active in Program	<input type="button" value="Submit"/>

[Create What-If Scenario](#)
 This report allows you to run a report for your current program(s) or different degree programs/tracks and change catalog year/grades.

On the page, you can run the GPS for your active programs (which will be displayed on the screen) or another program from the Create What-If Scenario link to view a "what if" GPS.

To view the GPS, click on the submit button. The Interactive GPS page will open up.

C Graduate Students Section

The Graduate Students section shows links to important graduate information. Students may view application status, record change request status, funding information, thesis and dissertation status, apply for Graduate Presentation Fellowships, and register for Pathways to Success Graduate Workshops.
