

## Interesting Upper-Level Electives

UCF requires at least 42 hours of 3000-level or above courses for a degree. You will earn the majority of these hours in your College of Medicine major. Students will need to satisfy the remaining hours with Upper-Level Electives. This list provides some courses that College of Medicine majors may find interesting, however, any 3000-level or above courses can be used to meet this requirement.

Consult with an advisor if you would like assistance choosing upper-level courses.
