

Burnett School of Biomedical Science Faculty Meeting

Minutes

Wednesday, March 6, 2024

3:30 – 5:00 PM via Zoom

BSBS Faculty Present: Report not available

BSBS Faculty Absent: Report not available.

DISCUSSIONS:

UCF admin is developing a “Policy to create a framework for how research lab spaces are allocated/assigned, as well as how utilization is assessed to validate continued assignment.”

Dr. Parks presented some data on space use and “needs” in each college.

The main topic was getting faculty input on

- what factors should be considered for this policy,
- what is “productivity” and proper use of space,
- how often assessed,
- what steps in process if change in space is needed,

Next meeting: TBD
