NAME		RANK	
COLLEGE		DEPT.	
EMPLOYMENT PERIOD	Term (SU, FA, SP)		Year

The following constitutes your assignment for the term indicated above. Your estimated percentage of total work time allotted to each section is assigned below. If the percent of time spent on activities is revised, a new assignment form needs to be completed by your chair or unit supervisor. Your reported activity total may not exceed 100%.

**Split Assignments:** Three columns are provided for entries in each activity category to assist with recording possible assignments to more than one department or unit. For convenience, these are termed the primary, secondary, and tertiary assignments. For most faculty, only one column will need to be completed, in which case the one (primary) chair or supervisor should sign the form. Where secondary and perhaps tertiary assignments occur, the secondary and tertiary supervisor approvals and signatures should be included as well.

**Annual Evaluation:** As directed by UCF Regulation 3.010 all full-time and part-time faculty are to be evaluated each academic year. The employee's performance of assigned activities falling under sections I, II, III, IV, & V below are subject to such evaluation. The employee's assignment(s) for the period under evaluation is (are) to be attached to the annual evaluation.
