b. Applicants with multiple last names may use the guidance for middle names in Table 2, Acceptable Name Mismatches.

c. An ID issued before a legal name change (e.g. birth certificate or driver's license) can be presented as one form of ID if a legal document (e.g. marriage certificate/license or a court order) is also presented linking the previous name to the current legal name. The linking document has to display both the former and current legal names. Both documents must be valid and not expired. For example, a married woman may use both a certified copy of her birth certificate displaying her maiden name and a driver's license displaying her married name as the 2 forms of ID compliant with PIV Guidelines as long as she provides a marriage license displaying both her maiden name and married name.
