

Please complete this evaluation if you attended a training session with Dr. Shaikh on the ophthalmoscopy simulator. Please turn in by Thursday of last week of course on my desk.

Name:

Year: MS4

Direct Ophthalmoscope Simulation Module

1. Describe if and how the ophthalmoscopy simulation module was helpful in the following categories during actual ophthalmoscopy exams on live patients:
 - a. Overcoming any anxiety on performing ophthalmoscopy (Yes/No & Describe)

 - b. Device Handling (Yes/No & Describe)

 - c. Visualizing the retina (Yes/No & Describe)

 - d. Identifying abnormal retinal findings (Yes/No & Describe)

 - e. Will you use ophthalmoscopy more in your practice because of the simulator (Yes/No & Describe)

Suggestions for Module Improvement:
