Faculty Resource Corner

Academic Medicine's latest e-book:

[Conducting Research in Health Professions Education: From Idea to Publication](#)

The e-book, consisting entirely of Last Pages, provides over 40 one-page primers on topics related to medical education research. Last Pages in the e-book explore every stage of research from developing research questions, finding secondary data sources, and working in collaborations, to defining response rate, writing revisions, and promoting your published work.
