Hello Colleagues,

The TBLC supports and encourages research and scholarship in team-based learning. To help its members participate in opportunities that provide educational scholarship, the TBLC will provide funding to initiate new educational research or evaluation proposals in 2016-2017. Project budgets of $2,000-$5,000 may be requested, with single institution projects to be awarded at low end, and collaborative multi-institution projects at the high end. Two to four awards are anticipated, depending on the quantity and quality of proposed projects. The TBLC seeks to promote collaborative projects across institutions, and seeks to stimulate the development of a community of educational scholars. Project proposals must be consistent with published criteria for educational scholarship and provide additional opportunities for others to build upon this work.

ELIGIBILITY
TBLC members from all TBLC member institutions are eligible to submit a proposal. Applicants may submit only one proposal.

TIMELINE
Application Deadline: December 1, 2015
Announcement of Awards: March 4, 2016 (at the Annual TBLC Meeting in Albuquerque, NM)

Upon completion of the project the Principal Investigator will be expected to present the project results at an annual meeting of the TBLC. All publications, presentations and/or products resulting from this project must acknowledge the TBLC as a sponsor of the work.

BUDGET
Allowed Expenses:
- Administrative, technical, or statistical support to carry out project
- Research supplies & expenses (e.g., survey instruments, duplication, mailings)
- Communication between participants (e.g., web/phone conference)
- Travel required to conduct the study

Not Allowed:
- Faculty salaries and benefits
- Travel to attend the TBLC meeting to present project results
- Indirect costs (Facilities & Administration)

QUESTIONS
All inquiries and communications should be addressed to the TBLC Scholarship Committee Chair at support@tblcadmin.org

If the proposed research will involve human subjects, a letter of approval from the host Institutional Review Board stating that the project is approved or that approval was not necessary will be required prior to funding of an approved proposal.

PROGRESS AND FINAL REPORTS
The project director will be required to submit two progress reports. An interim report will be due 6 months after the project start date, indicating progress to date, obstacles and solutions, preliminary results, etc. A final report will be due within 60 days of project completion, including a final progress report of findings and dissemination activities, copies of materials developed, and final budget report.

Thank You,
TBLC Admin Team

Dear IAMSE Members,
In every issue of Medical Science Educator we publish an announcements section. In this section we share information that is of interest to the readership of the journal. Individual IAMSE members wishing to post medical education related announcements in the Journal are invited to send their requests to the Editorial Assistant at journal@iamse.org. Announcements may be IAMSE-related, announcements from other medical education organizations, medical education conference information or international issues affecting medical education. Announcements will be published at the Editors discretion.

Thank You,
Peter G.M. de Jong, PhD
