

MAY 12, 2017

8:30-11:30 A.M.

“MANAGE YOUR RESEARCH LIKE A PRO”

A Research Project Management Training Symposium for Faculty Investigators

Come and learn the principles of successful research project management from our lineup of UCF experts. Whether you are a seasoned researcher or just contemplating your first research project, this training will provide you with the practical knowledge and skills necessary for managing your research efficiently and effectively.

College of Medicine

Looking forward to seeing you there!
