LOCATION AND SETUP

Please see the maps and pictures for the location and setup of the basketball hoops. The location for this court has been selected based on dimensional and safety considerations.

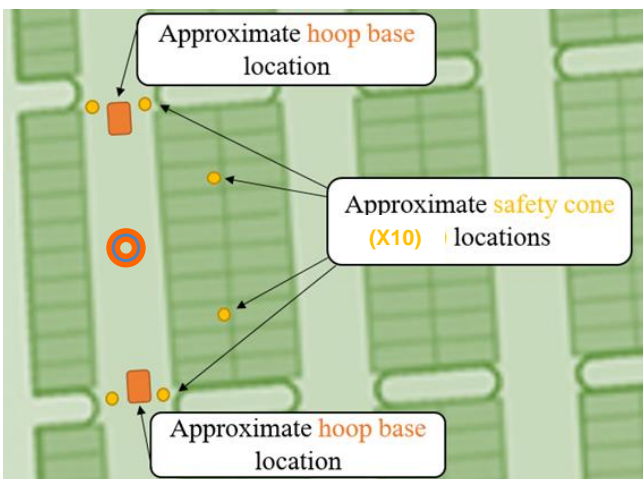

LOCATION

The basketball court will be located in the northwest corner of the College of Medicine P3 lot. This location has a high-reach light post, which provides ample light for playing at night.

SETUP

The equipment for the basketball court consists of two basketball hoops and ten safety cones. Markings in orange paint have been spray painted in the lot to assist with setting up the court. It should be set up in the following manner.

SAFETY RULES

1. Proper footwear is encouraged.
2. Do not hang or sit on the rim.
3. Hoops may only be used within the designated area of the P3 lot.
4. Do not attempt a full court configuration if vehicles are parked in the designated area.
5. Equipment should be safely stored after each use.

STORAGE

The basketball hoops and safety cones should be stored in the designated space as depicted on the map below.
