

Course Schedule

Contact Information: Saad Shaikh, MD

Please contact me and introduce yourself the week (or at least Friday) before the rotation starts:

Location: Lake Nona VA Eye Clinic, Room 2B.

Schedule:

Week 1	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
AM 8:00 – 12:00	Meet with Dr Shaikh at Lake Nona Eye Clinic at determined time per text to go over course objectives We will build your schedule at that time based on your objectives for the course				Resident Clinic
PM 12:00 – 5:00	12:30 – 2:00 retina conference in the ophthalmology conference room (bring or buy lunch for conference)				

When you are assigned to resident clinic, you are to ask the senior ophthalmology resident and/or staffing attending to identify at least one patient for you to work up and enter eye exam findings using the template you were provided with course materials. You will also need to complete an eye exam pre- and post- test while being evaluated by an attending do don't forget to do this. If you have already done this as a 3rd year, please ignore.

If an attending is out, please attend resident clinic on that date.

CONTACT: Saad Shaikh, MD if any of the clinks are cancelled or you cannot find anything to do and I will assign you a task or we will do additional lectures
