

Student Conduct

Students are subject to all policies of the university as delineated in the UCF [Golden Rule](#). M.D. students are also subject to all policies and procedures outlined in the College of Medicine M.D. Program Student Bulletin and as outlined on www.med.ucf.edu/gps.

Students are subject to federal and state laws and local ordinances as well as regulations prescribed by UCF and the Florida Board of Governors. The breach or violation of any of these laws or regulations may result in disciplinary action. Behavioral breaches of state law, UCF requirements, or program expectations are grounds for dismissal from the program of study and the university. Detailed conduct regulations and procedures are presented in the [Golden Rule](#).
