

Faculty Name	Department	Publication	Editorial Role
Diane Davey	Clinical Sciences	Archives of Pathology and Laboratory Medicine	
		Journal of the American Society of Cytopathology	
		Cancer Cytopathology	(Advisory Board and Education Column Editor)
Jane Gibson	Clinical Sciences	Journal of Molecular Diagnostics	Editor or Co-Editor
		NBME Item Writer: American Board of Medical Genetics	
		AAMC Med Ed Portal Faculty Affairs Collection	
Jeffrey Huang	Clinical Sciences	Journal of Anesthesia and Perioperative Medicine	Editorial Board Member
Latha Ganti	Clinical Sciences	International Journal of Emergency Medicine	Editor-in-Chief
Laura Bancroft	Clinical Sciences	Seminars in Musculoskeletal Radiology	Editor-in-Chief
Mujtaba Husain	Clinical Sciences	Journal of Lower Genital Tract Disease	Regional Editor
William DeCampi	Clinical Sciences	Journal of Thoracic and Cardiovascular Surgery	Associate Editor
David Harris	Medical Education	Medical Education Online	Assistant Editor
Jonathon Kibble	Medical Education	Advances in Physiology Education	Editor or Co-Editor
Juan Cendan	Medical Education	Flagship: Florida Medical Proceedings	Editor or Co-Editor
		Simulation in Healthcare	Editor or Co-Editor
Magdalena Pasarica	Medical Education	Flagship: Florida Medical Proceedings	Editor or Co-Editor
Marcia Verduin	Medical Education	Journal of Psychiatric Practice	
Alexander Cole	BSBS Faculty	Frontiers in Cellular and Infection Microbiology	Editorial Board Member
		PLoS ONE	Editorial Board Member
		Probiotics and Antimicrobial Proteins	Editorial Board Member
		Protein and Peptide Letter	Editorial Board Member
Annette Khaled	BSBS Faculty	Cytokine	Editor or Co-Editor
Claudia Andl	BSBS Faculty	Frontiers in Bioscience	Managing Editor
		PLoS ONE	Managing Editor
		American Journal of Cancer	Associate Editor
Dinender Singla	BSBS Faculty	PLoS ONE	Academic Editor
		Canadian Journal of Physiology and Pharmacology	Associate Editor
		Molecular and Cellular Biochemistry	Editorial Board Member
		Journal of Cardiovascular and Translational Research	Editorial Board Member
		Journal of Tissue Science & Engineering	Editorial Board Member
		American Journal of Physiology	Editorial Board Member
		Oxidative Medicine and Cellular Longevity	Editorial Board Member
Griffith Parks	BSBS Faculty	Journal of Virology	Associate Editor
		Virology	Associate Editor
		BMC Microbiology	Assistant Editor
Jihe Zhao	BSBS Faculty	American Journal of Translational Research	Editor or Co-Editor
		Cell Communication and Insights	Editor or Co-Editor
		American Journal of Cancer Research	Editor or Co-Editor
		American Journal of Stem Cells	Editor or Co-Editor
Karl McKinstry	BSBS Faculty	American Journal of Clinical and Experimental Obstetrics & Gynecology	Editor or Co-Editor
		Frontiers in Immunology	
		Journal of Stem Cells and Clinical Practice	Editor or Co-Editor
		Stem Cells and Cloning: Advances and Applications	Editor or Co-Editor
Kiminobu Sugaya	BSBS Faculty	Integrative Biomedical Sciences	Editor or Co-Editor
		Journal of Psychology and Psychotherapy Research	Editor-in-Chief
		Stem Cells: Research & Therapy	Editor or Co-Editor
		Stem Cell Biology and Research	Editor or Co-Editor
		Current Tissue Engineering	Editor or Co-Editor
		Dataset Papers in Neuroscience	Editor or Co-Editor
		Molecular Biology and Genetic Engineering	Editor or Co-Editor
		Austin Journal of Biomedical Engineering	Editor or Co-Editor
		Frontiers in Bioscience	
Limei Chen	BSBS Faculty	The Scientific World JOURNAL	
		PLoS ONE	Academic Editor
Michal Masternak	BSBS Faculty	The Journals of Gerontology Series	
		Reports of Practical Oncology and Radiotherapy	Editor or Co-Editor
		Age	
Mollie Jewett	BSBS Faculty	Frontiers in Cellular and Infection Microbiology	
		Frontiers in Microbial Physiology and Metabolism	
Motashem Samsam	BSBS Faculty	Nuero-Open Journal	Editor-in-Chief
		Science Domain International, Archives of Current Research International	Editor
		Austin Journal of Biomedical Engineering	Editor
		DATA Sets International (Datasets Paper in Medicine), Psychiatry	Editor
Saleh Naser	BSBS Faculty	Gut Pathogens	Associate Editor
		Frontiers in Cellular and Infection Microbiology	Associate Editor
		Journal of Tuberculosis Research	Associate Editor
		Advances in Microbiology	Associate Editor
		World Journal of Gastroenterology	Editor-in-Chief
		Journal of Gastroenterology and Its Complications	Associate Editor
		Journal of Antibiotics Research	Associate Editor
		Archives of Current Research International	Managing Editor
		International Journal of Mycobacteriology	Assistant Editor
		Austin Journal of Biomedical Engineering	Associate Editor
		Malaria Chemotherapy Control & Elimination Journal	Editor-in-Chief
		International Journal of Biological Research	Associate Editor
		Journal of Gastroenterology and Hepatology Research	Associate Editor
World Journal of Clinical Cases	Associate Editor		
Shadab Siddiqi	BSBS Faculty	World Journal of Gastroenterology	Editorial Board Member
		ISRN Hepatology	Editorial Board Member
Tara Strutt	BSBS Faculty	Frontiers in Immunology	
Travis Jewett	BSBS Faculty	Frontiers in Cellular and Infection Microbiology	Assistant Editor
Victor Davidson	BSBS Faculty	Biochemical Journal	Editor or Co-Editor
		Archives of Biochemistry and Biophysics	
		F1000Research	
William Self	BSBS Faculty	Frontiers of Cellular and Infection Microbiology	Regional Editor
		Antioxidants	Associate Editor
