Just in Time Development

Team provided approximately 50 hours of just-in-time support to individual faculty members including CV review, P&T guidance, qualitative research consults, curriculum review, classroom observation, SLM review, award support, etc.

Collaborative Efforts

The Faculty Development Team worked with: the Practice of Medicine faculty and staff to orient all Community of Practice preceptors; GME and HCA to establish a business curriculum for residents at Osceola, Ocala and North Florida; Harriet F. Ginsburg Library Team & Marketing Department to host a series for faculty.
