
Central Florida Orthopedics Conference 2022

UCF College of Medicine – Orthopedics and Sports Medicine
Interest Group – Engineering in Medicine – Surgery Interest Group

Central Florida Orthopedics Conference

Mission

The mission of the CFOC is to serve as a symposium for the brilliant minds behind novel orthopedic research in Central Florida.

Vision

The vision of the CFOC is to host a 1-day research symposium bringing together the brightest minds in orthopedics in Central Florida; physicians, residents, scientists, and students are welcome to come together and share their latest research discoveries.
