

Resident as Teacher Program

The Resident as Teacher (RAT) program is designed to fulfill the educational and program requirements of the Accreditation Council for Graduate Medical Education (ACGME) and Liaison Committee on Medical Education (LCME).

Our program trains residents in teaching skills, which are essential to training medical students and delivering patient education. Each year the Resident as Teacher program delivers an overview of the specific clerkship objectives and policies, in addition to other sessions.

- Reinforces concepts used in daily training with learners
- Promotes discussions and skills practice
- Participation is monitored, certificate of completion is awarded at end of series upon request
- Sessions are 30; 45; or 60 minutes based on availability and preference

Type of Sessions Offered:

- Face-to-Face at your site
- Online via Zoom/Webex
- Blended eLearning
- Self-Learning Modules

Session Categories:

- Clinical Teaching
- Professional Development
- Medical Informatics
