Central Florida Orthopedics Conference

Mission

The mission of the CFOC is to serve as a symposium for the brilliant minds behind novel orthopedic research in Central Florida.

Vision

The vision of the CFOC is to host a 1-day research symposium bringing together the brightest minds in orthopedics in Central Florida; physicians, residents, scientists, and students are welcome to come together and share their latest research discoveries.

CFOC Founders

Dr. Melanie Coathup, BSc, PhD
Director of UCF Biionix Cluster

Dr. John Lovejoy MD
UCF COM – Chair of Orthopedics
