Health Sciences Library

# 2025 at a Glance

## Partnerships & Collaborations

Organized a panel discussion highlighting medical student global health experiences with support from the Department of Population Health Sciences.

Partnered with COM Peer Support and Counseling & Wellness Services to bring therapy dogs into the library space.

In collaboration with the Dean's Office, welcomed the UCF College of Nursing to the Academic Health Sciences Campus with a meet-and-greet event featuring the library's popcorn machine.

Successfully transitioned the library's entire E-Resources Collection to a new online environment through coordination with Health IT.

## Personal Achievements

New Hires

Alexis Durante-Tierney joined the Health Sciences Library Team as a Library Technical Assistant III in April.

Promotions

Pamela Herring, Electronic Resources Librarian, was promoted to the rank of Associate Medical Librarian.

Recognitions

Shalu Gillum, Head of Public Services, graduated from the AAHSL/NLM Leadership Fellows Program.
